**\*Students should not be registered for CORE 110 and COMM 131 at the same time. In that case, COMM 131 should be taken the semester AFTER successful completion of CORE 110.**

**\*\* Please see additional pages that detail specific track classes for Mass Communications students.**

**\*\*\* Provided the student takes 150, 180, or 190, the course can be used as a general College elective. Students may fulfill the elective requirement by taking any course offered by the College. Students may use these elective credits to obtain additional internship opportunities (beyond the six-credit maximum accepted by the department)**
